

Sunday 1:30 P.M.

Dear Nine & nephews, - 18 Dec-1966

May I call you that? You sure
just like you belonged to my list of
nephews & nieces. I really enjoyed your
visit and wished it could have been
longer. I have thoughts of so much more
& still writing history of Aunt Mary Ann
(Father's second wife) but need something
out of book Nellie Madson has. Yes you
can find quite a lot, more names and
long clipping of Harry Cluff which should
help you & I thought of more names of
families at Diana street, Elmer Mahoney
, Worthington Mahoney - Wellness and
there is a clipping of Mr Davis who
lived there all his life - Hope it helps
as in such a bad mess but its the
things that counts - Carol from Ethel &
Hipp Watson, said she had talked to you
Wish we lived closer so I could help you.
All my out of state phs are on their way
and I'm nearly ready for Santa, I
only have 5-5 left more to wrap, but I'll
get them done in time. Have my tree
up & decorated inside & out and the
little ones love it. May you all
have a very merry Christmas, this
is my 7 today, to 2 grandsons in w
over

4 missionaries - my son and I
have a few more, but after church
today at 2:30 I'll finish them.
We are having a Canasta by chain
its nippy outside but sunny. I'll
walk there & back & enjoy the
the fresh air -

Now I say By for now
